

2026 CHALK THE WALK

 *Hope is a community effort*

September 21-25 

Join neighbors, schools, businesses, organizations, and families across our community by filling sidewalks, driveways, storefronts, and public spaces with colorful messages of hope, kindness, and connection.

Whether it's a simple "You Matter," an inspiring quote, or a vibrant piece of artwork, every message reminds someone they are seen, valued, and never alone.

HOW TO PARTICIPATE

- Decorate your sidewalk, driveway or entrance with sidewalk chalk.
- Share messages of hope, encouragement, and belonging.
